

Aboriginal and Torres Strait Islander Studies Unit

Alternative Entry Pathways Program

Semester 2, 2018 Application Form

Background Information

The Alternative Entry Program is designed to assist Aboriginal and/or Torres Strait Islander applicants who are interested in pursuing tertiary education.

In addition to gaining entry on the basis of your Overall Position (OP), or other entrance score such as a Rank, there is the opportunity to apply for admission through The University of Queensland's Alternative Entry program for Aboriginal and Torres Strait Islander people. The Alternative Entry application process considers a range of factors in addition to formal education, such as your employment history, academic abilities, personal interests and references.

Under the Alternative Entry program, applicants are eligible for up to an additional 5 bonus ranks (or OP equivalent) to assist with their entry into The University of Queensland. Where the applicant provides a compelling case to demonstrate suitability for their preferred program based on extensive relevant work experience and/or training, The University of Queensland may waive specific program requirements.

Eligibility criteria:

The Aboriginal and Torres Strait Islander Alternative Entry program is available to applicants who:

- Have identified on their Queensland Tertiary Admissions Centre (QTAC) application as Aboriginal and/or Torres Strait Islander;
- Have listed UQ as a preference in their QTAC application;

Applicants are expected to have completed the required prerequisites for programs they are seeking entry into under the Alternative Entry program. Applicants who have not completed the required prerequisites may present a case to demonstrate equivalent work experience or training.

Applicants are required to provide a "Confirmation of their Aboriginal and/or Torres Strait Islander Status" as part of their application.
